

Signal Mountain

2010 Elder's Ministry Responsibilities

Signal Mountain Bible Church is led by its elders, men called into leadership by the congregation in accordance with the qualifications in 1 Timothy 3:1-7 and Titus 1:6-9.

Each elder shares in the oversight and responsibility of the ministries of the church and has a specific ministry focus. This sharing of the work of the ministry allows us to increase our focus, enhance our effectiveness, and provide the body with a contact person for each ministry of the church. For 2010, the elders will provide oversight as follows:
