

Tim and Janet Roberts, with New Tribes Mission, are our missionaries to Mexico. They live in Rocoroyvo, a village in the mountains of northern Mexico, where they minister in Bible translation and church planting.

Tim and Janet are coming to Chattanooga in early June for a year-long furlough. To help them set up house for the year, we want to fill their pantry and furnish the home they will be living in. See the two items below and help us take good care of our missionaries!

“Pounding” for the Roberts, Now thru Sunday, June 1

To help fill the Roberts’ pantry we are having a “pounding” for them. Look for the cabinet in the church foyer, chose an item to purchase, and bring the purchased item back by Sunday, June 1.
